Friday

- Meeting at school
- Workshop: «What did you find out about the forest industry in Latvia?»
- Presentations
- Lecture
- Lunch
- And now we are making presentations about our week

Conclusions

- We had a really nice week
- It's really nice to meet all students from different countries
- Now we know what kind of professions you can learn, if you want to work in forest industry
- Forest is the main thing in Latvia
- We discovered new places
- We learned a lot of interesting facts not only about forests but about another things too

Thank you!
